

**I don't think my peer has done enough to meet the CPD requirements**

**What to do:**

- pause the PDR
- osteopath takes some time to reflect on their CPD
- osteopath agrees to undertake further CPD on the activity or activities in question
- meet again to discuss further CPD undertaken
- sign off activity

**We still don't agree**

**What to do:**

- agree to sign off aspects you do agree on
- talk to other osteopaths in your network to seek their advice
- bring in another osteopath so you and your peer can do your PDR in a group
- agree to disagree

**The relationship with my peer isn't working**

**What to do:**

- exit relationship respectfully without blame
- find another peer to do your PDR and sign off activity (you can have multiple peers) – see decision tree on selecting a peer
